

Celebrating Women's Health!

Staying Vibrant and Healthy at Any Age!

Join us for an informative evening discussing Hormone Therapy and pivotal women's health issues. Cynthia Senter, Naturopathic physician and specialist on women's health and anti-aging, will be guiding our evening's interactive discussions.

A light, delicious dinner will be provided. After the presentation, practitioners will be available to answer your questions, one-on-one, on exciting topics like; Easy Detoxing, Younger Looking Skin, and Tapping Into Your Energy, to name just a few.
